

Global Innovations in Patient-Centered Kidney Care: International Summit

*A collaborative partnership event
presented by*

American Association of Kidney Patients and George Washington University School of Medicine & Health Sciences

Virtual - Summit Agenda

Thursday, July 16, 2020

Session Time	Session
Welcome	<p>Opening Remarks</p> <ul style="list-style-type: none"> • Purpose of the 2nd Global Summit <ul style="list-style-type: none"> ○ Barbara L. Bass, MD, Vice President for Health Affairs, Dean of the GW School of Medicine and Health Sciences, and CEO of the GW Medical Faculty Associates ○ Richard Knight, AAKP President, <i>former dialysis patient, current transplant recipient</i> • Importance of Science, Innovation and Patient Choice <ul style="list-style-type: none"> ○ Dominic Raj, MBBS, MD, DM, DNB, FACP, FASN, Director of the Division of Kidney Diseases & Hypertension, George Washington University School of Medicine & Health Sciences ○ Paul T. Conway, AAKP Chair of Policy & Global Affairs, <i>former dialysis patient, current transplant recipient</i>
Preface	<p>How Innovation and Community Engagement Furthers Kidney Research at NIDDK</p> <ul style="list-style-type: none"> • Moderator: Richard Knight, AAKP President, <i>former dialysis patient, current transplant recipient</i> • Presenter: Griffin P. Rodgers, MD, MACP, Director, National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK)
Wellness Break	
Session 1	<p>Coronavirus: Treating Immunosuppressed Populations during a Global Pandemic (dialysis and transplantation)</p> <ul style="list-style-type: none"> • Moderator: Dan Abel, AAKP Vice President, <i>former dialysis patient, current transplant recipient</i> • Presenter: Olivia Kates, MD, University of Washington

Wellness Break	
Session 2	<p>Coronavirus: Kidney Community Stakeholder Response to Global Pandemic</p> <ul style="list-style-type: none"> • Moderator: David Rodriguez, AAKP Board of Director, Ambassador, <i>former dialysis patient, current transplant recipient</i> • Presenters: Alan Kliger, MD, Clinical Professor of Medicine, Yale University School of Medicine, and Vice President, Chief Quality Officer, Yale New Haven Health System, Chair Nephrologists Transforming Dialysis Safety; Emily Blumberg, MD, Transplant Infectious Diseases specialist, Director of the Transplant Infectious Diseases Program and Infectious Diseases Fellowship, University of Pennsylvania, Immediate Past President, American Society of Transplantation
Wellness Break	
Session 3	<p>Coronavirus: America's Largest Kidney Innovation Collaborative Responds</p> <ul style="list-style-type: none"> • Moderator: Edward V. Hickey, III, AAKP Secretary, Chair of Veterans Health Initiative, <i>former caregiver, current kidney disease patient</i> • Presenter: Melissa West, Acting Vice President, Research, Discovery and Innovation; Kidney Health Initiative, American Society of Nephrology
Wellness Break	
Session 4	<p>Clinical Trials in Kidney Disease: International Perspective on Patient Engagement</p> <ul style="list-style-type: none"> • Moderator: Iya Bekondo, AAKP Ambassador, <i>current transplant recipient</i> • Presenter: Shahid Muhammad, Chartered and Academic Scientist; Professional Doctorate in Biomedical Science (DBMS) candidate under the University of the West of England (UWE), Bristol England UK
Wellness Break	
Session 5	<p>Emerging Research with Global Implications: Identification & Diagnosis of Kidney Diseases - Kidney Precision Medicine Project</p> <ul style="list-style-type: none"> • Moderator: Glenda Roberts, AAKP Ambassador, <i>former dialysis patient, current transplant recipient</i> • Presenter: Jonathan Himmelfarb, MD, Co-Director of the UW Center for Dialysis Innovation, Director of the Kidney Research Institute, Professor of Medicine and Adjunct Professor of Bioengineering
Wellness Break	
Session 6	<p>Emerging Research with Global Implications: Identification & Diagnosis of Kidney Diseases - APOL1</p> <ul style="list-style-type: none"> • Moderator: Richard Knight, AAKP President, <i>former dialysis patient, current transplant recipient</i> • Presenter: Cheryl Ann Winkler, PhD, Center for Cancer Research, National Cancer Institute
Wellness Break	

<p>Session 7</p>	<p>Emerging Research in Kidney Disease with Global Implications: Kidney Disease Management & Treatment - Diabetic Kidney Disease</p> <ul style="list-style-type: none"> • Moderator: Dale Rogers, AAKP Board of Director, Ambassador, <i>former dialysis patient, current transplant recipient</i> • Presenter: Katherine R. Tuttle, MD, FASN, FACP, FNKF, Executive Director for Research, Providence Health Care; Professor of Medicine, University of Washington; Co-PI, Institute of Translational Health Sciences
<p>Wellness Break</p>	
<p>Session 8</p>	<p>Emerging Research in Kidney Disease with Global Implications: Kidney Disease Management & Treatment - Acute Kidney Injury</p> <ul style="list-style-type: none"> • Moderator: Jennifer Jones, AAKP Ambassador, <i>current transplant recipient</i> • Presenter: Claudio Ronco, MD, Director, Dept. of Nephrology Dialysis & Transplantation, International Renal Research Institute (Italy)
<p>Close of Day</p>	<p>End of Day Observations</p> <ul style="list-style-type: none"> • Dominic Raj, MBBS, MD, DM, DNB, FACP, FASN, Director of the Division of Kidney Diseases & Hypertension, George Washington University School of Medicine & Health Sciences
<p>AAKP After Hours</p>	<p>Special Edition: AAKP hosted COVID-19 Webinar Series</p> <ul style="list-style-type: none"> • Richard Knight, AAKP President presents Patient Perspective on Diversity in COVID-19 Clinical Trials (Click Here to Watch Now) • Coronavirus and Kidney Patients USA Centers for Disease Control Expert Webinar hosted by AAKP (Click to Watch Now) • Coronavirus and Transplant Patients: Get the Facts, Save a Life hosted by AAKP in partnership with American Society of Transplantation and American Society of Transplant Surgeons (Click to Watch Now) • Taking Care of Your Dialysis Access During the COVID-19 Pandemic (Click here to Watch Now) • Fighting Coronavirus Upstream - What Early Stage Kidney Disease Patients Need to Know (Click here to Watch Now) • New American Telemedicine Policies & Utilization in the COVID-19 Era: What Patients Should Know (Click Here to Watch Now) • The USA Department of Veterans Affairs Kidney Program's Response to COVID-19 (Click Here to Watch Now) • Kidney Patient Mental Health Management During COVID-19: Staying Connected while Staying at Home (Click Here to Watch) • Kidney Patient Nutrition & COVID-19: The Importance of Keeping it Kidney Friendly (Click Here to Watch) • Clinical Trials: Expanding Opportunities for All Kidney Patients in the Midst of COVID-19 and Beyond (Click Here to Watch Now) • Diversity and Inclusion in COVID-19 Trials: Insights and Tactics (Click Here to Watch Now)

Friday, July 17, 2020

Session Time TBA	Session
Welcome	Opening Remarks: Patients as Agents for Innovation <ul style="list-style-type: none"> Richard Knight, AAKP President, <i>former dialysis patient, current transplant recipient</i>
Session 1	Coronavirus: Observations of Healthcare Systems Responses to Pandemic (Nonprofit, Private and VA) <ul style="list-style-type: none"> Moderator: Edward V. Hickey, III, AAKP Secretary, Chair of Veterans Health Initiative, <i>former caregiver, current kidney disease patient</i> Presenter: Stephen Fadem, MD, FACP, FASN; Clinical Professor of Medicine, Baylor College of Medicine; Founder, Kidney Associates; Chair, AAKP Medical Advisory Board
Wellness Break	
Session 2	Coronavirus: Accelerating the Adoption of Telehealth & Telemedicine <ul style="list-style-type: none"> Moderator: Lisa Garner, AAKP Board of Director, <i>former dialysis patient, current transplant recipient</i> Presenter: Janice Lea, MD, MSc, FASN, Professor of Medicine, Emory University, Chief Medical Director, Emory Dialysis
Wellness Break	
Session 3	Coronavirus: Transitioning Patients from Telehealth & Telemedicine Back to In-person Care <ul style="list-style-type: none"> Moderator: Kent Bressler, AAKP Board of Director, Ambassador, <i>current pre-emptive transplant recipient</i> Presenter: Neal Sikka, MD, Associate Professor, Dept. of Emergency Medicine; Program Director, Mobile Health Care: Innovations in Telemedicine; George Washington University School of Medicine & Health Sciences
Wellness Break	
Session 4	Emerging Innovation in Kidney Disease: Global Health and Human Suffering Necessitate International Cooperation <ul style="list-style-type: none"> Moderator: Paul T. Conway, AAKP Chair of Policy & Global Affairs, <i>former dialysis patient, current transplant recipient</i> Presenter: Murray Sheldon, MD, Associate Director for Technology and Innovations, Center for Devices and Radiological Health, U.S. Food & Drug Administration
Wellness Break	
Session 5	Emerging Innovation in Kidney Disease with Global Implications: Bioartificial Kidney <ul style="list-style-type: none"> Moderator: Brian Hess, AAKP Board of Director, <i>former transplant recipient, current dialysis patient</i> Presenter: William Fissell, MD, Medical Director, The Kidney Project

Wellness Break	
Session 6	Emerging Innovation in Kidney Disease with Global Implications: Cell Free DNA & Genetic Testing Research <ul style="list-style-type: none"> • Moderator: Melissa Bensouda, AAKP Ambassador, <i>former transplant recipient, current dialysis patient</i> • Presenter: Phil Gauthier, MD, MBA, Medical Director, Natera, Organ Health
Wellness Break	
Session 7	Emerging Innovation in Kidney Disease with Global Implications: Nanomedicine <ul style="list-style-type: none"> • Moderator: Jonathan Haydak, AAKP Ambassador, <i>former dialysis patient, current transplant recipient</i> • Presenter: Edgar Jaimes, MD, Chief, Renal Service, Memorial Sloan Kettering Cancer Center
Wellness Break	
Session 8	Emerging Innovation in Kidney Disease with Global Implications: Artificial Intelligence in Transplant Care <ul style="list-style-type: none"> • Moderator: Katina Lang-Lindsay, PhD, LMSW, AAKP Ambassador, <i>former dialysis patient, current transplant recipient</i> • Presenter: Peter Maag, PhD, Chairman, CEO, CareDx, Inc.
Wellness Break	
Session 9	Emerging Innovation in Kidney Disease with Global Implications: Artificial Wearable Technologies <ul style="list-style-type: none"> • Moderator: Paul T. Conway, AAKP Chair of Policy & Global Affairs, <i>former dialysis patient, current transplant recipient</i> • Presenter: Victor Gura, MD, Innovator, WAK 3.0
Wellness Break	
Session 10	A Global Need to Support an Ever-Growing Home Dialysis Community: Peritoneal Dialysis & Home Hemodialysis <ul style="list-style-type: none"> • Moderator: Richard Knight, AAKP President, <i>former dialysis patient, current transplant recipient</i> • Presenters: Michael Aragon, MD, CMO, Outset Medical; Ashte Collins, MD, Assistant Professor of Medicine, Director of Home Dialysis Program, George Washington University
Wellness Break	
Session 11	Patient Driven Transformations in Global Care and Care Delivery: Patient Perspectives <ul style="list-style-type: none"> • Moderator: Kent Bressler, AAKP Board of Director, Ambassador, <i>current pre-emptive transplant recipient</i> • Presenters: Joseph Gaut, PhD, MD, Associate Professor, Pathology & Immunology (St. Louis, MO – USA) Division Chief, Anatomic and Molecular Pathology, Washington University School of Medicine, St. Louis; Colm Clifford, AAKP Global Ambassador (Ireland); Vasundhara Raghavan, AAKP Global Ambassador (United Arab Emirates)

<p>Close</p>	<p>Closing Observations: Outlook for The Decade of the Kidney™ and Look ahead to Global Summit 2021</p> <ul style="list-style-type: none"> Presenters: Paul T. Conway, AAKP Chair of Policy & Global Affairs, <i>former dialysis patient, current transplant recipient</i>
<p>AAKP After Hours</p>	<p>Special Edition: AAKP hosted COVID-19 Webinar Series</p> <ul style="list-style-type: none"> Richard Knight, AAKP President presents Patient Perspective on Diversity in COVID-19 Clinical Trials (Click Here to Watch Now) Coronavirus and Kidney Patients USA Centers for Disease Control Expert Webinar hosted by AAKP (Click to Watch Now) Coronavirus and Transplant Patients: Get the Facts, Save a Life hosted by AAKP in partnership with American Society of Transplantation and American Society of Transplant Surgeons (Click to Watch Now) Taking Care of Your Dialysis Access During the COVID-19 Pandemic (Click here to Watch Now) Fighting Coronavirus Upstream - What Early Stage Kidney Disease Patients Need to Know (Click here to Watch Now) New American Telemedicine Policies & Utilization in the COVID-19 Era: What Patients Should Know (Click Here to Watch Now) The USA Department of Veterans Affairs Kidney Program's Response to COVID-19 (Click Here to Watch Now) Kidney Patient Mental Health Management During COVID-19: Staying Connected while Staying at Home (Click Here to Watch) Kidney Patient Nutrition & COVID-19: The Importance of Keeping it Kidney Friendly (Click Here to Watch) Diversity and Inclusion in COVID-19 Trials: Insights and Tactics (Click Here to Watch Now)
