

You're invited to join **AAKP's Mentor Program!**

Become a Mentor and help make a difference in the Kidney Community!

The American Association of Kidney Patients (AAKP), in partnership with Kaiser Permanente Georgia and Emory University, is looking for motivated and excited patients to help others navigate their journey with kidney disease.

What will AAKP Mentors do?

- Help fellow patients understand and navigate the complexities of living with kidney disease
 - Receive training on becoming a peer mentor, including information on kidney disease modality choices and coping skills
 - Have the opportunity to take part in an important patient-centered research project, including a 6-month peer mentorship component

You may be eligible to become an AAKP Mentor if:

- You are 18 years of age or older
- Have an interest in telecommunicating with mentees
- Have a history of either dialysis or received a kidney transplant

If you agree to participate,

*Kaiser Permanente GA,
Emory University, and AAKP will:*

- Provide training and educational materials for you to share with others
