

AAKP 3rd ANNUAL FUN WALK: DECEMBER 6-17, 2021

This year's AAKP Fun Walk will be hosted December 6-17, 2021, to allow for participants to make the most out of the experience and participate in activities at their own pace and schedule!

The AAKP Fun Walk is a unique opportunity for individuals affected by kidney diseases, their friends, family members and local communities across the globe to come together to raise awareness of this chronic illness that impacts an estimated 850 million people worldwide and support the great work of AAKP.

AAKP is the oldest and largest, fully independent kidney patient organization in the U.S.A – AAKP is dedicated to improving the lives and long-term outcomes of kidney patients through education, advocacy, patient engagement and the fostering of patient communities. AAKP fights for early disease detection including appropriate diagnosis of rare/genetic diseases; increased kidney transplantation and pre-emptive transplantation; full patient choice of either in-center or home dialysis; protection of the patient/physician relationship; promotion of research and innovation including artificial implantable and wearable kidneys; and the elimination of barriers for patient access to available treatment options.

**Depending on the continued impact of COVID-19, there may or may not be an in-person component for our 2021 Annual Fun Walk.*
