

3rd ANNUAL GLOBAL SUMMIT ON KIDNEY INNOVATION MAY 13-14, 2021

AAKP will once again partner with George Washington University (GW) School of Medicine & Health Sciences (SMHS) to host the 3rd Annual Global Summit virtually. The Global Kidney Innovations Summit has become the world's largest patient-led kidney innovation conference.

The 2020 Summit engaged participants in over 70 countries and included over 40 medical and patient subject matter experts and over 20 special medical and patient expert sessions on: COVID-19 impacts on the kidney and kidney patients; artificial intelligence and early disease diagnosis; greater diversity in clinical trials; precision medicine; genetic conditions such as APOLI; wearable and artificial implantable devices; and advancements in home dialysis care. Over 20,000 patients, clinical trial experts, pharmaceutical researchers, medical professionals, and policy leaders worldwide participated in the virtual Summit.

For additional information, please contact Erin Kahle ekahle@aakp.org, (813) 400-2393.
