

U.S. Ambassador Initiative

Use your voice to make a difference in the kidney community. Join AAKP, the oldest and largest fully independent, patient-led kidney patient organization in the United States with a growing global audience. Become an AAKP National Ambassador today!

AAKP Ambassadors are an important part of our Center for Patient Engagement and Advocacy, working to ensure the voices of kidney patients and their care partners are heard.

Who should apply?

- **Motivated and passionate Kidney Patients (all stages, all types of kidney disease, and all treatment modalities)**
- **Family Members of Kidney Patients**
- **Living Kidney Donors**

APPLY TODAY!

AAKP AMBASSADORS:

- Provide input on the development of research trials, patient materials, and more
- Participate in surveys, focus groups, and other research opportunities
- Use their voice to impact policy and legislation by participating in Hill Days
- Share their knowledge and expertise at various events
- Raise awareness and exhibit at health fairs and other events both locally and nationally
